Brothers,

This year is flying by. Here we are, already in September! I want to take a moment to thank ALL those that made the Arrows to Aerospace Day a successful event. The Aerie had fantastic participation from the members. We managed to raise quite a bit for the State President's charities. It was amazing to see and a lot of fun for everyone! Let's have the same participation for the Outdoor Air Fest on September 9th!

I am also looking for those that may be interested in joining a committee for our Eastern Zone Conference. This is going to be held in Bellevue 3912 in March. A successful club is dependent on the participation of the members.

If there are things you would like to see happen around the club; come to a meeting, talk to your officers and / or Trustees. We are always looking for new things to try!

Fraternally,

Zachary Nisley | Worthy President
People Helping People.

Sisters,

Well we made our way through August. We got lots done, lots of thank you's go to the Aerie

Family, the members, the officers, the trustees, the volunteers, the parents, the wives, the husbands, the

As I sit here writing my newsletter, I realize that once again we have a very busy September. We had the Aerie and Auxiliary State Presidents visit us, plus a Grand auxiliary Officer as well as several others from the states of Nebraska and Iowa. The Aerie Trustees put in a lot of work on the carpets, and in other areas in the club. Lots of you helped with our function - - Thank You – Thank You - - Thank You!

September is also going to be busy! We have West Central Regional . On September 12 we will have a joint officers meeting at 7 pm. On Sept. 9th we have the Open Air Fest outdoors and the Triathalon in Norfolk. Last but not least we have all our meals, popcorn sales, and Spa Day. If you can help with anything let us know.

Until next time,

Barb | Madam President

50/50 Monthly Drawing

Beginning in September, the Aerie will start a monthly 50/50 drawing. Monies from the drawing will go to an earmarked fund to be used for Emergency Use Only. The idea: in case of needed funds to repair or replace equipment, etc. This is a WIN WIN for everyone. Tickets are \$1. You must print your name and number on the back of each ticket. Drawing will run from the FIRST day of the month to the LAST day of the month. Winner will be drawn on the LAST DAY of each month. Name of the winner will be posted on the lighted board at the main bar. Winner has 7 days from the drawing to claim their share of the pot. It is the responsibility of the winner to check the lighted board. If the money isn't collected it will go toward the Aerie. 50% will go to the Aerie. Each monthly balance will remain independent of each other (ex. the 50% winning name drawn will ONLY receive 50% of the funds raised for that month.) So let's have some fun!!!!
