## AERIE PRESIDENT'S MESSAGE

### Greetings, Members of the Bellevue Eagles!

Welcome to August! I hope each of you enjoyed your 4<sup>th</sup> of July holiday weekend, where hopefully you were able to celebrate Independence Day safely with friends and family.

I want to show out a **special “thanks” to Steve Sondag for the fireworks display** he put on this year at the Eagles. Thank you for an awesome display, Steve! Not only that, I want to personally **thank all of the volunteers (you know who you are) that helped to make our first-ever Fireworks sales tent an astounding success!** I believe we raised more funds than we might have otherwise anticipated so kudos to each of you that made that happen!!

As we continue into the summer months, and as the Club continues to work to bring us back to full capacity and services the way it “used to be,” I have every confidence our trailing strategy is the right one and that we continue to offer an atmosphere that is safe for our members and guests.

**Our kitchen services are now back in full swing (that's good news!) and the Sunday breakfasts have taken off with a \*bang\*!** I encourage each of you to take a glimpse of this month's meal calendar and come back and give our meals a **\*sampling.\*** Another special **\*thanks\*** goes out to everyone who makes these meals a success!

We still have an officer vacancy or two within the Aerie. Most notably, we are in need of one more Trustee position to be filled. These positions are very important

## AUXILIARY PRESIDENT'S MESSAGE

### My Sisters,

I hope everyone is surviving the hot days of summer. **First of all, a huge thank you goes out to all the volunteers who braved the heat to work the Aerie #3912 Fireworks Stand as well as those who made their holiday purchases there.**

With our dining room returning to sit-down meals, I want to thank our members who have attended during the past month to help our meal functions be so successful. We look forward to seeing you during the month of August as we continue to return to our new normal. **Please keep in mind that our meals can always be prepared for take-out and picked up at the kitchen door should you prefer that.**

**Congratulations to our new sisters who were initiated on July 14** after several months of not being able to hold regular meetings. We hope to see you at future meetings and possibly getting involved by working a function soon.

Should anyone be interested in considering chairing or co-chairing a local or national charity this year, please let myself or any seated officer know and we will help get you signed up and will provide all the support you might need.

Hoping to see you soon.

Fraternally,

Lisa Smith, Auxiliary President

to the success of the Aerie and I encourage you to please reach out to me if you're interested in filling such a position.

Thank you for all each of you for what you do to continue to make the club the success that it is! As I stated last month, I look forward to meeting those of you I have not already met.

My best to each of you

Jim Uhlenkamp, Aerie President
